

UNITED NATIONS
Office on Drugs and Crime

50th Session of the
Commission on Narcotic Drugs
12-16 March 2007

UNGASS implementation at a glance

For discussion only!
Not for distribution!

Achieving the UNGASS goals: Progress by region ¹

Goal or target	North Africa and the Middle East	Sub-Saharan Africa	North America	Latin America and the Caribbean	Central, South and South-West Asia	East and South-East Asia	Central, West Europe	East, South-East Europe	Oceania*
-----------------------	---	---------------------------	----------------------	--	---	---------------------------------	-----------------------------	--------------------------------	-----------------

A: The Commitment to UNGASS

National drug strategy or action plan	met	medium-high, improving	met	high, stable	on track, lagging	met	on track, lagging	high, improving	met
National, central coordinating authority	on track, lagging	medium-high, improving	met	met	on track, lagging	on track, lagging	met	medium-high, lagging	met
Multisectoral national drug strategy/action plan	on track, lagging	high, lagging	met	met	on track, lagging	on track, lagging	on track, lagging	met	met

General range:

0-40% = Low (improving, declining, stable or lagging)
 40-59% = Medium (improving, declining, stable or lagging)
 60-75% = Medium-high (improving, declining, stable or lagging)
 76-86% = High (improving, declining, stable or lagging)
 87-99% = On Track (improving, declining, stable or lagging)
 100% = Met

0-50% = red
 51-86% = yellow
 87-100% = green

Achieving the UNGASS goals: Progress by region ²

Goal or target	North Africa and the Middle East	Sub-Saharan Africa	North America	Latin America and the Caribbean	Central, South and South-West Asia	East and South-East Asia	Central, West Europe	East, South-East Europe	Oceania*
----------------	----------------------------------	--------------------	---------------	---------------------------------	------------------------------------	--------------------------	----------------------	-------------------------	----------

B: Declaration on the guiding principles of drug demand reduction: Prevalence and trends in drug abuse

Cannabis	Prevalence	medium	medium	high	medium	medium	low	high	medium	high
	Trend	increasing	increasing	decreasing	increasing	increasing	stable	increasing	increasing	decreasing
Opioids	Prevalence	low	low	medium	medium	high	medium	high	medium	high
	Trend	stable	increasing	stable	stable	increasing	decreasing	decreasing	increasing	decreasing
Cocaine	Prevalence	low	low	high	medium	low	low	medium	low	high
	Trend	stable	stable	decreasing	increasing	increasing	stable	increasing	increasing	stable
ATS	Prevalence	low	low	high	medium	low	medium	high	medium	high
	Trend	stable	increasing	stable	increasing	increasing	stable	stable	stable	stable

Note: Classification into 'low', 'medium', or 'high' prevalence based on ranking of national estimates for last year use among the general population aged 15-64 years.
In this table colours are used in reverse as low drug abuse indicates achievement of the UNGASS goals.

Achieving the UNGASS goals: Progress by region ¹

Goal or target	North Africa and the Middle East	Sub-Saharan Africa	North America	Latin America and the Caribbean	Central, South and South-West Asia	East and South-East Asia	Central, West Europe	East, South-East Europe	Oceania*
<i>B. Declaration on the guiding principles of drug demand reduction: Measures taken in prevention, treatment and rehabilitation, and reducing negative health and social consequences</i>									
Prevention	Low-medium, improving	Low, stable	Met	Low, stable	Low, improving	Low-medium, stable	Low-medium, improving	Low, stable	Medium-high, improving
Treatment and rehabilitation	Low, improving	Low, stable	Medium-high, improving	Low, stable	Low, improving	Low-medium, improving	Low-medium, improving	Low, stable	Medium-high, improving
Reducing negative health and social consequences	Low, stable	Low, stable	Medium, stable	Low, improving	Low, improving	Low, improving	Medium, improving	Low, stable	Met

Range for Demand Reduction:

0-24% = Low (improving, declining, stable)
 25-45% = Low-medium (improving, declining, stable)
 46-55% = Medium (improving, declining, stable)
 56-75% = Medium-high (improving, declining, stable)
 76-100% = Met

0-24% = red
 25-75% = yellow
 76-100% = green

Achieving the UNGASS goals: Progress by region ¹

<i>Goal or target</i>	<i>North Africa and the Middle East</i>	<i>Sub-Saharan Africa</i>	<i>North America</i>	<i>Latin America and the Caribbean</i>	<i>Central, South and South-West Asia</i>	<i>East and South-East Asia</i>	<i>Central, West Europe</i>	<i>East, South-East Europe</i>	<i>Oceania*</i>
-----------------------	---	---------------------------	----------------------	--	---	---------------------------------	-----------------------------	--------------------------------	-----------------

D: Measures to promote judicial cooperation

No serious restrictions/limitations on extradition of nationals	low, improving	medium-high, lagging	met	medium-high, improving	medium-high, improving	medium, lagging	medium, lagging	low, lagging	low, lagging	met
Laws permitting mutual legal assistance	high, improving	medium-high, improving	met	met	medium, lagging	high, lagging	high, lagging	high, lagging	medium-high, lagging	met
Domestic legal system permitting use of controlled delivery technique	high, improving	medium-high, improving	medium-high, improving	on track, improving	high, lagging	high, lagging	high, lagging	on track, lagging	met	met
Legislation, rules, procedures for protection of judges, prosecutors, surveillance personnel, law enforcement officers, witnesses	medium-high, lagging	low, lagging	met	high, improving	high, lagging	medium, lagging	medium, lagging	high, improving	met	met

Achieving the UNGASS goals: Progress by region ¹

Goal or target	North Africa and the Middle East	Sub-Saharan Africa	North America	Latin America and the Caribbean	Central, South and South-West Asia	East and South-East Asia	Central, West Europe	East, South-East Europe	Oceania *
<i>E: Action Plan against ATS and their Precursors</i>									
Implementation of international drug control treaties and resolutions, decisions of ECOSOC, CND, INCB	medium-high, lagging	medium-high, lagging	met	high, improving	high, lagging	met	on track, improving	met	met
Measures to reduce illicit demand of ATS	medium-high, declining	medium-high, lagging	met	medium-high, declining	medium-high, declining	met	high, lagging	high, lagging	met
Measures to prevent diversion, irresponsible marketing and prescribing of ATS	medium, declining	medium, declining	medium-high, declining	medium-high, declining	low, declining	medium, declining	medium, stable	medium, declining	met

Achieving the UNGASS goals: Progress by region ¹

Goal or target	North Africa and the Middle East	Sub-Saharan Africa	North America	Latin America and the Caribbean	Central, South and South-West Asia	East and South-East Asia	Central, West Europe	East, South-East Europe	Oceania*
-----------------------	---	---------------------------	----------------------	--	---	---------------------------------	-----------------------------	--------------------------------	-----------------

F: Measures for countering money laundering

Criminal offense to launder proceeds of drug trafficking	medium-high, improving	high, lagging	met	met	met	met	met	met	met
Money-laundering legislation leading to investigations, prosecutions, convictions	low, stable	medium, lagging	met	on track, improving	low, stable	high, lagging	high, improving	met	met
Establishment of a central anti-money-laundering unit	high, improving	medium-high, improving	met	on track, stable	low, stable	medium, improving	met	medium-high, lagging	met

Achieving the UNGASS goals: Progress by region ¹

Goal or target	North Africa and the Middle East	Sub-Saharan Africa	North America	Latin America and the Caribbean	Central, South and South-West Asia	East and South-East Asia	Central, West Europe	East, South-East Europe	Oceania*
<i>G: Control of precursors</i>									
Laws related to precursors control	on track, improving	medium, lagging	met	on track, improving	high, lagging	met	met	met	met
Establishment of control frameworks and system of prior import/export authorization	on track, lagging	high, improving	met	met	met	on track, improving	on track, lagging	met	met
Implementation of INCB recommendations on limited international special surveillance list of non-scheduled substances	medium-high, declining	medium-high, improving	met	high, improving	met	medium-high, improving	high, lagging	medium, declining	met

Source: Biennial Reports Questionnaire and Annual Reports Questionnaire for "B: Declaration on the guiding principles of drug demand reduction".

¹ Note: This summary has been prepared for illustrative purposes based on the responses provided by Governments in the Biennial Reports Questionnaires for the period 2002-2004 and 2004-2006. The information is purely indicative as underlying data are incomplete.

² Note: This summary is based on the responses provided by Governments in the Annual Reports Questionnaire 2005 and on most recent supplementary data sources. The information can just be indicative due to incomplete data.

³ Note: This summary is based on information contained from surveys of the Illicit Crop Monitoring Programme. The information can just be indicative due to incomplete data.

⁴ Distorted by increase in cultivation in Afghanistan.

* Only one country replied for Oceania.

Prepared by CSS – 7 February 2007
