Subject:
UNODC grant received by the Anti-Drugs Association, Belgrade, Serbia

The Anti-Drugs Association, Belgrade, Serbia received a UNODC grant in 2004 under the project GLOC54 – Global Youth Network. A grant of US\$9,000 was awarded to the project "Families and Schools Together" to be implemented over a period of six months for a total budget of US\$ 12,000.

The project was implemented as planned and reporting requirements were fulfilled as appropriate, both from the substantive and the financial point of view.
